2. Marco legal, regulatorio e institucional del sector energía

A hand is shown holding a scale of justice, symbolizing balance and equity. The scale is positioned over a globe of the Earth. On the left side of the scale, there are silhouettes of industrial structures, including oil rigs and power plants. On the right side, there are silhouettes of renewable energy sources, including wind turbines and solar panels. The background is a dark blue space with a bright light source, possibly the sun, creating a lens flare effect. The overall image conveys the theme of balancing traditional and sustainable energy sources.
